AMEND Senate Bill No. 369

House Bill No. 220*

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Notwithstanding any provision of law to the contrary, the department of transportation is authorized to erect suitable signs or to affix suitable markers at the new transportation management center in Chattanooga in honor of Steve Karas as a lasting tribute to one of Tennessee's most dedicated public servants.

SECTION 2. This act shall become operative only if the cost of the manufacture and installation of such signs is paid to the department of transportation from non-state funds within one (1) year of the effective date of this act. Such payment shall be made prior to any expenditure by the state for the manufacture or installation of such signs. The department shall return any unused portion of the estimated cost to the person or entity paying for such signs within thirty (30) days of the erection of such signs. If the actual cost exceeds the estimated cost, an amount equal to the difference in such costs shall be remitted to the department in nonstate funds within thirty (30) days of the sponsoring person or entity receiving an itemized invoice of the actual cost from the department.

SECTION 3. This act shall take effect upon becoming a law, the public welfare requiring it.
